

TTK's Big Launch, April 2010

Transition Town Kingston celebrated in style at the Big Launch Party on April 17th 2010. Residents, supporters and community groups came together to celebrate all that has been achieved in the past two years and to plan Kingston's transition to a lower-energy future. There were creative workshops, beautiful displays, films and inspiring speakers, including local MP Ed Davey and leader of the Council Derek Osbourne, not to mention live music and delicious home-made food!
